### **Message from Christine DelRossi, Recreation Program Coordinator**

*This program has been offered since the summer of 1993. Many parents and children from Stoneham and the surrounding communities have enjoyed this program because the participants are; making new friends, attending field trips, have many activities to keep them busy, enjoy the staff and they are in a safe environment. **\*During week #6, depending on the registration numbers will determine the budget the group has to work with for the field trip. Some trips require a minimum number to get a group rate. Please do not pick the week based on the field trip. Field trips are not guaranteed.***
